

Dear Editor . . .

EDITOR, TORRANCE PRESS
I would like to express my appreciation for the many messages of sympathy and condolence which were received by us upon the death of my husband, Harry M. Abramson, and especially for the many cards and letters which he received while he was in the hospital.

They Think Slingshot Is To Blame

Pellets shot from a sling shot rather than bullets shot from a rifle were thought to be the explanation for recent incidents where four drivers reported that their cars had been struck along Sepulveda west of Hawthorne.

The last of these episodes occurred a week ago Wednesday. Det. Capt. Ernie Ashton stated that a slingshot or air rifle rather than gun was used, since the metal of the cars was not penetrated and only the windows were shattered.

Father Finds Baby Dead of Suffocation

A 3-months-old baby was discovered dead of suffocation when its father found it lying in the crib at 6:15 a.m. with blankets wrapped around its head and shoulders, last week.

Dead is Christopher Batron, son of Mr. and Mrs. Robert Catron of 1680 West 251st street, Harbor City.

Cause of death was accidental suffocation, according to San Pedro police.
